Once completed, you'll hear from our camp directors to make sure the program is the right fit. Once accepted, you'll receive a link to register in CampDoc. All CITs are required to join an orientation day before camp during our staff training week.

This program helps you in real life by teaching you amazing skills, how to make new friends, be a sister to every Girl Scout, and develop your confidence, courage, and character. You'll also have the best summer leadership experience ever!

**If you're wondering what happens next**, as a 17-year-old, you can:

- Work at a day camp (Comstock, Hoover)
- Get certified as a lifeguard or work as a kitchen aide with part-time program aide duties at an overnight camp\*
- Complete CIT II—there's more to learn as you take on a different set of responsibilities

\*Does not count for ratio at overnight camps.

You must be 18 to work at an overnight camp, but your CIT experience gives you an idea of what it's like!

## Earn Camp This Cookie Season

When Girl Scouts sell cookies during our 2025 program, they can earn credit toward our camp sessions based on the total number of packages sold!

By reaching these milestones and choosing the Experience Credit option, Girl Scouts can earn:

- **\$25 for selling 600+ packages**
- **\$300 for selling 1,000+ packages**
- **\$350 for selling 3,000+ packages**

This adds up to a potential \$675 in credits! Plus, if they earned \$1,500 in sales during our 2024 Treats, Reads & More Program, they could receive an additional \$200 in Experience Credits. That's a total of \$875 in savings on camp!

Don't miss out on this incredible opportunity to earn your camp experience this cookie season!

Rewards are cumulative (see the 2025 cookie order form for full details). At certain levels, Girl Scouts can choose either a reward item OR Experience Credit. These credits can be applied in a variety of ways to enhance their Girl Scout experience. Credits earned during the 2025 Member Year (October 1, 2024-September 30, 2025) will expire on November 1, 2025.
